## **RESPONSE UNDER 37 CFR 1.111**

Hon. Commissioner of Patents and Trademarks Washington, D.C. 20231

Sir:

The following response is to the Office Action mailed August 7, 2002. A petition under 37 CFR 1.136 (a) for a two-month extension time accompanies the response.

Please amend the application as follows.

Please substitute for claim 1 the following:

- 1. A curable, powder-based coating composition for coating a substrate, having a first color effect, with a film layer wherein application of the film layer to the substrate produces a second color effect different from the first color effect of the substrate, said powder-based coating composition comprising:
  - (A) a powder-based binder comprising the reaction product of;

(I) a resin having a functional group, and 01/22/2003 TCQLE1 00000002 233425 09964713
